2. Quadrante

Manca aria

Stampo familiare e culturale e sviluppo personale nel gruppo.

4. L'ambiente di origine in cui siamo cresciuti.

Legame con la famiglia, normalmente con la mamma.

Capacità di creare un legame emozionale più tardi nella vita.

5. Il capo nella gerarchia della famiglia, normalmente il papà.

L'istinto di essere o diventare il primo, il capo del gruppo.

6. La capacità di adattarsi in un gruppo e accettare la propria parte, nell'ordine di successione dei fratelli. Questo si impara tra i fratelli.

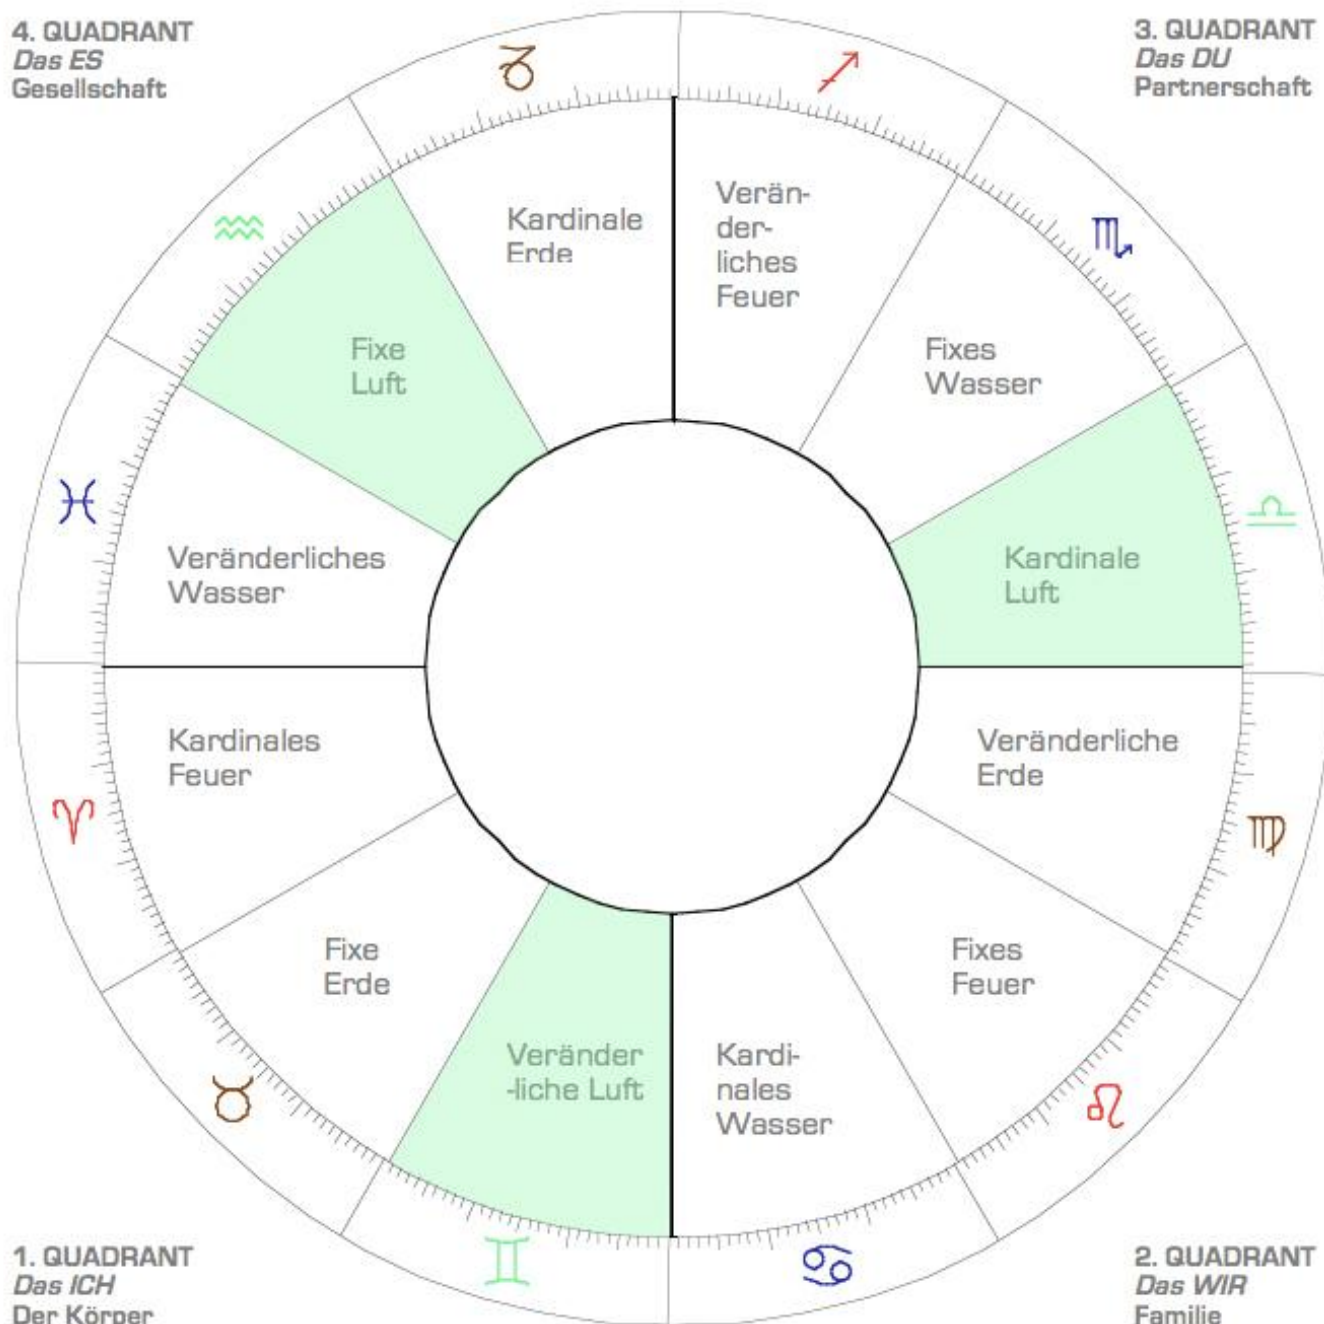

Ci sono solo tre possibilita nell'ordine di successione dei fratelli:

- Primo
- Secondo
- Terzo
- Il Primo non conosce uno piu grande di se stesso.
- Il secondo, terzo, quarto etc. vive fra uno piu grande e uno piu giovane.
- Il terzo, anche se è il quinto è sempre il piu giovane.
